

(Above) Award-winning Children's author, Marianne Berkes. Children learn the ways of forest animals to the rhythm of "Over in the Meadow" as they leap like a squirrel, dunk like a raccoon, and pounce like a fox.

(Right) Pond Seasons  
Book by Sue Ann Alderson.  
Ducks, butterflies, fish and dragonflies--their life cycles all revolve around the poem that is at the center of these 14 delightful poems about wildlife and the seasons.
