Dear Friends of the YMCA:

You know the challenges we face in the Jacksonville area. Make a donation to the Bob Freesen YMCA today and take your first step in making a difference and building a better community! With your support our YMCA can make the impossible happen! Your donation to our Annual Campaign supports nurturing the potential of kids, improving health and well-being, and strengthening our community. We count on the generosity of you, our members, and community to help people of all ages and from all walks of life.

Membership fees keep our doors open and the lights on; donations invite everyone inside. The YMCA is committed to making a difference in the lives of children and their families in our community. With Annual Campaign funds, the YMCA is able to provide scholarships for all who would like to access our facilities and programs to learn, grow and thrive. Programs supported by the Annual Campaign include: after school programs, summer camp, aquatics classes, youth sports programs and more! On behalf of the adults, children, volunteers and staff, thank you for your generosity!

Sincerely,
