# NATIONWIDE MEMBERSHIP

**At the Y, we are dedicated to ensuring that our facilities, programs, and services are open and welcoming to all. As a part of this effort, we offer our members access to YMCA facilities across the United States that participate in Nationwide Membership. This way our members can use the Y as often as they like or need, making it easier to achieve their health and wellness goals. Nationwide Membership enables you to visit any participating Y in the country, outside of the Bob Freesen YMCA, through membership at your home Y. We offer this because we want to help you reach your goals wherever you live, work, or travel. This is an essential part of our mission.**

**There are more than 2,700 Y's in 10,000 communities across the nation.**
